

Ommetje veelzijdig Maasdal ES04

Walking route

→ **5.7 km**

Start- and endpoint

Hoekstraat 29, 6116 AW
Roosteren

Level of difficulty

Makkelijk

The wonderfully peaceful Rivierpark Maasvallei nature reserve is located between the Maas and the Juliana Canal. In a large winding river of the Maas, you can see the moist grasslands during this Ommetje Maasdal, where the Konik horses and the galloways graze peacefully. From the bank of the fast-flowing Maas you have a view of the Belgian city of Maaseik. You will also discover the picturesque village of Visserweert. This walking route is on the knot loop system and can be followed via the signs to the following junctions: 60-79-25-77-78-57-59-60. Your route starts near Hotel-Restaurant de Roosterhoeve, where you can also have a delicious lunch in a beautiful location.
