This walking route of about 10 kilometers takes you from Waubach, in the municipality of Landgraaf, towards the German border, which you just don't cross. You walk past the Watertoren campsite, which owes its name to the Rimburch Watertoren, and the Ipomal gallery. The route can be followed via the blue posts. You can park on Warderweg in Landgraaf or at the campsite, where you can also enjoy a cup of coffee before or after your walk.
