→ **15.1 km**

Start- and endpoint

Natuurtransferium De Haamen
in Beek

Level of difficulty

Makkelijk

There are various signposted mountain bike trails in South Limburg with a total length of more than 500 kilometres. The routes are linked by connectors, creating a network that ultimately covers the whole of South Limburg. It is therefore possible to discover the entire region by mountain bike. With a length of approx. 15 km, this route is a variant of the existing Grensmaasvallei MTB Gravel route and is suitable for youth and families with smaller children. The starting point of the Grensmaasvallei Family Ride is located at Nature Transferium De Haamen.
