The core of Schimmert, around which this equestrian route runs, is to enjoy and relax.

Winding bridleways introduce you to varying views, such as the forests and fields in the Kloosterbosch. We challenge you to take in nature. While you walk quietly, the Watervalderbeek ripples along next to you. The many riding stables and activities around horse riding in this area make Nuth a real equestrian community. In addition, it is easy to jump from one route to another. The routes of Schinnen, Onderbanken and Beek are only a stone's throw away.

The route is indicated with route signs number 1.
