The Houthem & Ravensbosch walking route takes you to the north of Houthem. In this area, well maintained by the tourist cooperation of Valkenburg, Meerssen and Maastricht, you can enjoy a stroll through nature. The blue posts lead you over the green slopes and to the De Kluis estate. In Houthem you will find plenty of nice restaurants for a nice cup of coffee. You can also park well there, but with a unique wooden station building in the middle of the village you might prefer to come by train.
