Krijtwandeling lus 1 – In het spoor van de blokbrekers

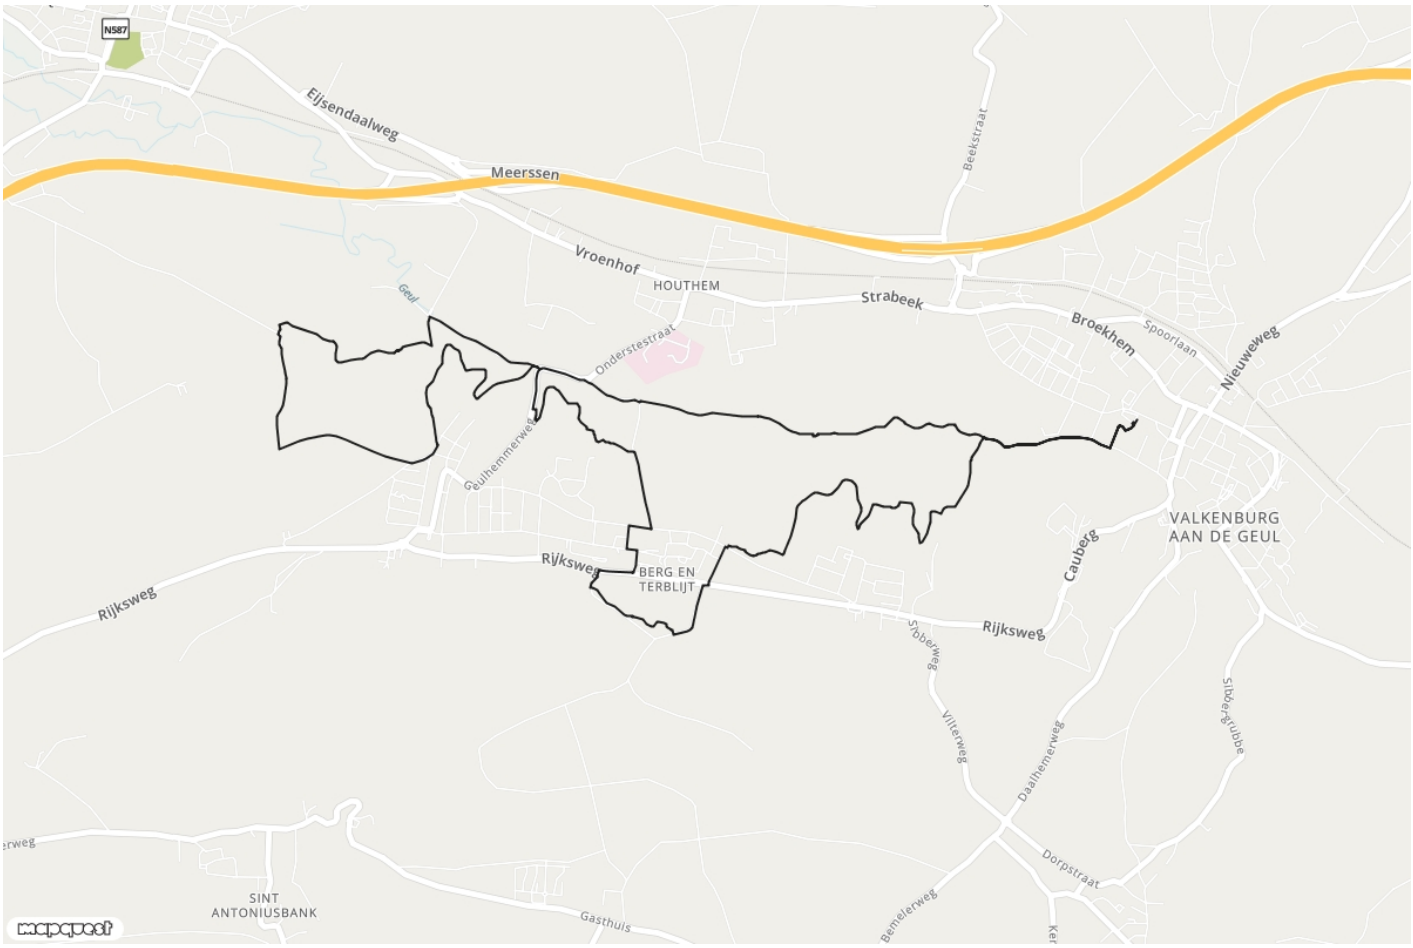

Walking route
14.8 km

Start- and endpoint
Parkeerplaats Prins Bernhardlaan 30 te Valkenburg

Level of difficulty
Heel moeilijk

It is hard to imagine how centuries of underground marl mining can change an area. On this walking route right through the Geul Valley you will follow in the footsteps of the block breakers. These were the men who skillfully sawed and pry the marl out of the earth.
Please note: this route is not signposted. You follow the Chalk Walk via the description in the brochure and via the button 'Start the route'. Order the brochure Chalk Walk Valkenburg aan de Geul , full of interesting background information, in our webshop or buy it in one of our branches.
The block breakers created many more marl quarries than the well-known guided tours.
