Leiffenderhofweg 3 te
Schinveld

Level of difficulty

Makkelijk

Schinveldse Bossen are located in the valley of the Roode Beek, which lend themselves to endless walks and numerous hiking routes that will keep you entertained.

Nature has the space to develop itself here. Take the time to absorb all the impressions and experience the real silence. During this trip it is possible that you will encounter some Scottish Highlanders.

At the edge of the forest you pass Nonke Buusjke, a collection of South Limburg half-timbered houses with historical value. The only Limburg glider airfield will also be visited on the way.

The route can be followed via the black posts with a ring binder and gold stars and you can download the route description here .
