

# Ommetje Natuurgebied 't Hout ES05

## Walking route

→ 8.2 km

## Start- and endpoint

Salvatorplein 10, 6114 HE  
Susteren, Netherlands

## Level of difficulty

Heel makkelijk

If you walk south of Susteren, you will find yourself in the middle of a beautiful green nature reserve in no time, where the sunlight falls through the dense leaves of the trees and where you might encounter a deer. However, don't forget that Susteren itself also has its charm, with the Sint-Amelberga basilica as the showpiece with its special treasury. This route starts at Salvatorplein, where you can also park easily, and can be followed via the route signs of the knot loop system: 13-75-77-87-79-76-43-13.
