Imagine yourself completely away from the hustle and bustle of the city and completely relax in rural South Limburg. On the Reijmerstok G10 walking route you have nothing on your path other than rolling hills, the winding Gulp through the valleys and wide views over fields with dense groups of trees here and there. Here and there you will encounter some idyllic scenes from the typical South Limburg culture, such as the authentic half-timbered houses or beautiful chapels at Reijmerstok, Pesaken or Beutenaken.

At the A Gen Ing café you can enjoy delicious regional dishes and easily park your car. You follow this relaxing walking route via the blue posts.
