The Dutch National Championships (NK) Mountain Bike 2017, took place on the spectacular Wilhelminaberg in Landgraaf. This hill is home to both the indoor ski paradise 'SnowWorld Landgraaf' and to an adventurous climbing park, but it also has challenging slopes and fast descents for mountain bikers to drool over. This short, but tough mountain bike route also shows you the beauty of the Strijthagen Brook Valley (Strijthagerbeekdal), with its unique flora and fauna. You can follow this special route via the white signs with red triangle, two circles, and the text 'NK 2017'.
