Where would you rather be: in the middle of the surprising attractions of the beautiful marl town of Valkenburg or in the breathtaking nature of the fairytale Geuldal? Why choose if the Geuldalroute shows you both? If you follow the green posts, you will see the beautiful forests along the windings of the Geul as well as the Kloosterkerk and the East and Schaloen castles. From the Kluis on the Schaelsberg you have a beautiful view over Valkenburg.

Tip! Curious about the stories or take a look inside the Kluis on the Schaelsberg ? View the 360-degree tour or listen to the audio tour . Both tours are also accessible by scanning the QR codes on the facade sign at De Kluis.
