→ **6.4 km**

## Start- and endpoint

Holset 58, 6295 ND Lemiers,  
Netherlands

## Level of difficulty

Makkelijk

This easy walking route is about 6 kilometers long. It takes you through the area around Vaals and Holset, where you get great views over the South Limburg hills. The route will show you authentic Limburg. Along the way you will encounter several sights. One of these is the beautifully situated Kasteel Vaalsbroek, a large estate with a country house, park and fountains that lies in the middle of the slope of a hill. You will also pass the eye-catcher of Holset, the Lambertus Church. From a distance you will also see Monastery De Esch, a monumental country house that has been given the status of a national monument. Parking is easy in Vaals or Holset.
