Go on a journey of discovery through Heerlen

Take a walk through the city center and discover how Heerlen developed from a Roman settlement into the quirky and modern city it is today. During this walk you walk through the impressive Maankwartier, you discover the Roman Quarter, you see the traces of the medieval village of Landsfort Herle and the mining past. Be surprised by numerous large and small works of art along the route.

Heerlen, the beating heart of Parkstad Limburg. Or should we say Coriovallum? The history of Heerlen goes back to this Roman settlement around the year zero.
