Welcome to beautiful South Limburg and in particular to the municipality of Beekdaelen. The Rèngeloate route leads around the spectacularly situated village of Sweikhuizen. This is where the Limburg hill country begins for people who come from the north. Immediately everything is different ... a real mountain village with steep streets and panoramic views, wooded hills, mythical mistletoe high in the trees, viticulture and a unique plum variety: the Sjweikeser Rèngeloate. The route can be followed via the green (ring) poles and markings. You can park at Gasterie de Bokkereyer, where you can also enjoy a delicious cup of coffee.
