Dwars door de Voerstreek Eijsden-Margraten

Cycle route
38.8 km

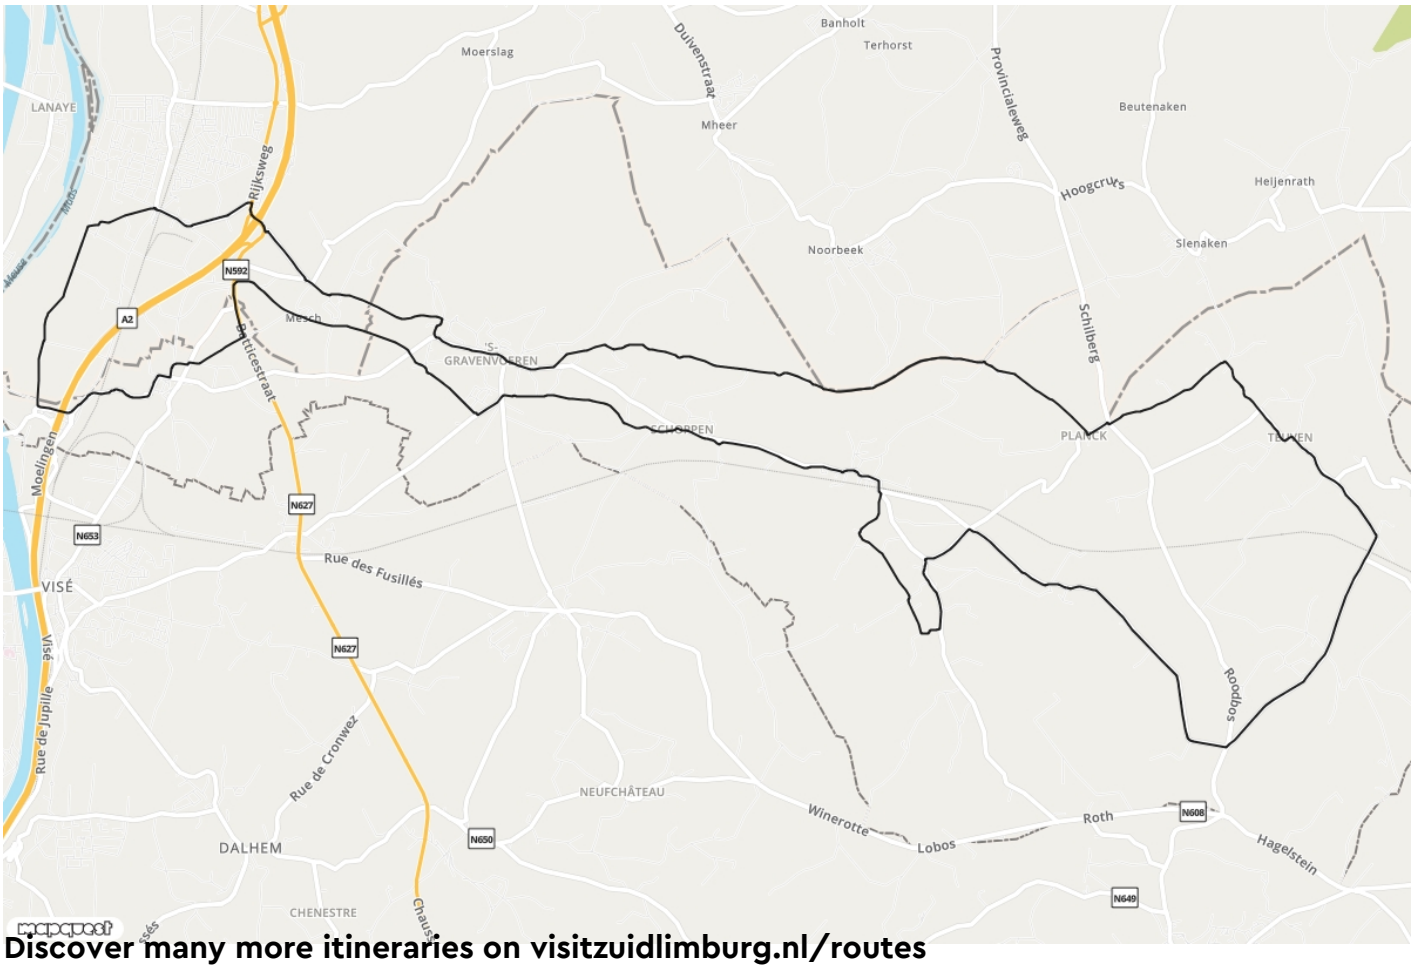

Start- and endpoint
Steenbergweg , 6245 Eijsden, Netherlands

Level of difficulty
Moeilijk

From Zuid-Limburg, the beautiful Belgian Voer region is only a stone's throw away. You can get there in no time! Park the car in the village of Mesch, on the Langstraat, and follow cycle junction numbers. Don't let burning legs discourage you, for once at the top, the view is more than worth the effort and the descent of the hill is epic. Of course, you can also enjoy this cycling route by e-bike, as you can easily hire one in this region. Enjoy the lovely villages of Eijsden, Moelingen and 's-Gravenvoeren and be sure to treat yourself to a delicious cup of coffee at one of the many cafés along the way.
