The hiking area around Slenaken, also known as the pearl of the hill country, is close to the border with Belgium. You imagine yourself abroad in this beautiful and versatile area. The walking routes are tough, so is this one, but that does not outweigh the landscapes, hills and the Gulp, which you will all encounter. In Gulpdal there are gentle slopes on one side, used as grassland, and steep slopes on the other, where the sloped forests can be found. You will discover it all on this walking tour. You can start in Slenaken at Romantik Parkhotel het Gulpdal. You can also easily park there. The route can be followed via the blue posts.
