

Slenaken Sl3 Gulpen- Wittem

 **Walking route**
→→ **4.5 km**

Start- and endpoint
Konijnenwinkel , 6276
Heijenrath, Netherlands

Level of difficulty
Moeilijk

This walking route shows you the beautiful area north of Slenaken. Here you will explore the wooded area of the Grote Bosch, which covers an area of more than 60 hectares. Let yourself be led right through the Gulpdal, with every now and then a view of the Gulp, a fast-flowing tributary of the Geul. You will make your way through different types of landscapes and will undoubtedly see different animals and plants that attract attention. This walking route is one for the walker who is looking for a fairly short route (4.5 kilometers), which nevertheless presents a challenge. Parking is possible in Slenaken, where the route also starts. Follow the yellow posts for this route.
