The Roda Cycle Route has been especially designed by Visit Zuid-Limburg for the fans of professional football club Roda JC, based in Kerkrade. The route largely follows the cycle junction network and leads you along locations as the football stadium 'Parkstad Limburg Stadion,' the municipal sports park Kaalheide, Rolduc Abbey and Shaft Nulland. Of course, savouring a Roda-beer at the Rolduc Brewery cannot be left out on this route. Start of the route is, naturally, at the Parkstad Limburg Stadion, where you can also visit Roda JC's fan shop.
