Makkelijk

The diverse signposted mountain bike routes in Zuid-Limburg have a total length of 500 km. These routes are linked by connecting parts, thus creating a network that covers all of Zuid-Limburg. So, it is possible to discover the entire region by mountain bike! This Family Ride MTB-route is, with a total length of approximately 9 kilometre a variety on the existing Mechelen-route and is suitable for both youth and families with smaller children. This makes it an ideal route for getting to grips with the basics of mountain biking.
