Hills with vast, swaying fields and dense hillside forests, sheltered valleys of the river Geul and the Eyserbeek brook, the picturesque villages of Mechelen, Wahlwiller and Partij: you experience it all on the spectacular MBT-route Mechelen. This mountain bike route leads you across rough terrain, and up steep hills, to high peak tops, and is therefore a nice challenge for experienced mountain bikers. When you have returned at the starting point, you can enjoy a refreshing craft beer at café 'In de Krooën' (Hoofdstraat, Mechelen). This route is part of an extensive, signposted network of mountain bike routes throughout Zuid-Limburg.
