→ **11.4 km**

Start- and endpoint

Oranjeplein 8 te Schimmert

Level of difficulty

Makkelijk

It is hard to imagine that there is so much to see and do in a small, rural town like Schimmert. At the start of this route you will pass the Water Tower of Schimmert. This is also called the Giant of Schimmert because it is so high. This alone, make the theme of this route 'fairy tales'. We have known stories about giants since the Bible. Of course we also discover other beautiful things in this versatile route, such as De Bocken Hof Castle and the Remigius Church.
