The fallen are commemorated in important locations in the area and the various monuments and plaques provide an opportunity to reflect on everything that happened here.

Two walks of 10 and 12 kilometers both start in Wittem. This walk leads you from Wittem through the Wachelerbos, Mechelen, Wahlwiller and Party. During the walk you will pass 7 memorial monuments.

At each monument, the story about the monument and the event can be heard by means of an audio fragment. The audio stories can be heard on this page.
