

Wandelroute E2 - Eijsden-Margraten – Van Eijsden naar de Belgische grens

Walking route

→ **4.7 km**

Start- and endpoint

Graaf de Geloeslaan in Eijsden

Level of difficulty

Makkelijk

Welcome to beautiful South Limburg, especially in the municipality of Eijsden-Margraten. This route takes you through the beautiful area south of Eijsden towards the Belgian border.

You have a beautiful view over the South Limburg hills. This area is known for its standard orchards. Apples and pears are the most commonly grown fruits. You will also discover Eijsden Castle and the Voer, a tributary of the Meuse.

There are plenty of catering establishments in Eijsden for a nice cup of coffee. You start the route in the Diepstraat in Eijsden, where you can also easily park nearby, for example at the NS station or at one of the many catering establishments.
