

Brunssummerheide Donker Groen

NM3 Brunssum

 **Walking route**
→ **12.7 km**

Start- and endpoint

Bezoekerscentrum
Brunssummerheide,
Schaapskooiweg 99, Heerlen

Level of difficulty

Makkelijk

This walking route through the Brunssummerheide is many walks in one. Whether you're in the mood for cool coniferous forests, fragrant purple heather, silvery sandy plains or sparkling springs and pools, you'll find them all in this vast area between Landgraaf, Heerlen and Brunssum.

The black posts with the dark green aluminum bands show you the way on your tour through the versatility of this beautiful nature reserve. Afterwards you will find your car at the catering facility, where you can also order delicious pancakes in addition to coffee.
