

Scootmobiel-route Steinerbos

Walking route

→→ **2.5 km**

Start- and endpoint

Steinerbos 1, 6171AL, Limburg

Level of difficulty

Heel makkelijk

Make a round of almost 2.5 kilometers through the Steinerbos. The area is wooded and therefore very shady due to the many trees in the park. It is good to stay along the park pond.

Due to the semi-paved paths, this route is easily accessible for people in wheelchairs and walkers with rollators or buggies. At the starting point at brasserie Steinerbos there is an information panel with an overview map of all route options.

This route is signposted with posts with a scooter logo. The disabled parking spaces are located at the entrance of Belevenispark Steinerbos, the swimming pool and at brasserie Steinerbos.

Parking is free.
