With the Archeo Route Limburg you will discover the stories behind Limburg's history and archaeology.
At the sites you come face to face with our archaeologist. He lets you see and experience what happened at these locations in the past. This cycle route takes you mainly in Parkstad.
Discover which giant lived in Brunssum and how in the 15th century looters and highway robbers were hindered by a landwehr. Take an exclusive look at the Roman villa Holzkuil and learn about the origins of the wine canal in Kerkrade. Meet the Lady of Simpelveld, dive into the Roman past of Voerendaal and Klimmen and relive the Middle Ages under the church tower in Voerendaal.
