Langs Kastelen in het Hart van de Maasvallei

Cycle route
28.1 km

Start- and endpoint
Historiehuis van de Maasvallei, Op de Berg 4-6 in Elsloo

Level of difficulty
Moeilijk

In the heart of the cross-border RivierPark Maasvallei lies the municipality of Stein, a true paradise for cycling enthusiasts and for many an undiscovered part of South Limburg.
Over the centuries, the River Maas has shaped the landscape in Limburg in a versatile and fascinating way. This created a complex network of old river channels, dikes and floodplains, with characteristic flora and fauna. Historic towns, picturesque villages and beautiful castles bear witness to a past that is closely intertwined with the Meuse.
