Bloesemfietsroute Eijsden

Cycle route
20.5 km

Start- and endpoint
Stationsplein 12, 6245 AE
Eijsden, Nederland

Level of difficulty
Gemiddeld

In April and May, the Zuid-Limburg region is adorned by an impressive array of colours. As far as the eye can see, the area then changes into a white and light pink sea of blossom. It is simply breath taking! Especially for this time of year, we have mapped out a lovely cycle route, right through extensive standard orchards, growing apples and pears. Follow the signs of the cycle junction system and marvel at this mesmerizing wonder of nature.

Junctions lists

76 - 78 - 100 - 80 - 72 - 43 - 106 - 73 - 74 - 75 - 76
