You may already know that from Schin op Geul you have direct access to the breathtaking valley of the wonderful Geul. On the Krekelsbos walking route, however, we challenge you to walk the other way, up the plateau, towards Walem. If you follow the black posts up the hill, a spectacular view awaits you over the beautiful green valley and over the village of Schin op Geul, with its characteristic St. Mauritius Church and historic station building. Schin op Geul has ample parking space and a cozy cafe for a cup of coffee after the walking route is also easily found.
