

# Simpelveld Si1

 **Walking route**  
→ **6.8 km**

**Start- and endpoint**  
Parkeerplaats Parklaan,  
Simpelveld

**Level of difficulty**  
Makkelijk

This walking route around Simpelveld is about 6.5 kilometers long and is easy to digest for every walker.

The only hilly railway in the Netherlands runs at Stoomstadje Simpelveld. You will walk the nature around it, but also the town itself. The cozy center of Simpelveld will surprise you. Along the way you will see, among other things, the Damiaan house, an imposing building that used to house a monastery.

In the center of Simpelveld you will find plenty of catering establishments, as well as parking spaces. For this walking route, follow the blue posts.
