The RAVeL 39/38 is one of the oldest and most mythical RAVeLs. You cycle from the Drielandenpunt in 50 km to Liège on the (asphalted) old railway lines 39 and 38 with few intersecting roads. Along the way you will discover the Land of Herve and its meadows, orchards and local products. Cycle past Battice Fort. Get off your bike in Clermont-sur-Berwinne and walk the cobbled streets of one of the most beautiful villages in Wallonia. Climb the stairs of the Montage de Bueren in Liège and enjoy a beautiful view of the city at the top of the Citadel. At the bottom you will find Brasserie C and Brouwerij Curtius, where you can enjoy a Belgian beer with Liège meatballs.
