The municipality of Beekdaelen is a place to enjoy and relax, as is the case with this equestrian route. Winding bridleways introduce you to varying views.

We challenge you to take in nature. The many riding stables and activities around horse riding make Nuth a real equestrian community.

In addition, it is easy to switch from one route to another. After all, the routes of the municipality of Beek are only a stone's throw away. The route is indicated with route signs number 4.
