The small centers on this walking route are the lovely villages in a rolling landscape full of forests and views over vast valleys. You will also find peaceful arable land around Etzenrade, Bingelrade, Doenrade, Quabeek, Merkelbeek and Jabeek. This walking route, to be followed via the black (ring) posts, consists of two parts. If you want to see all the beautiful sites on the route, you can walk the full 16 km, but if you prefer to leave part of it for a future walk, you can cross the route at Bingelrade. You can park at the radiant white castle of Doenrade, where you can also drink a cup of coffee in a historic atmosphere.
