7 Summits Kattenroth-route

Walking route
8.7 km

Start- and endpoint
Pley 1A, 6255AG Noorbeek, Limburg

Level of difficulty
Heel moeilijk

This route is part of the 7 Summits , the seven steepest mountain peaks in South Limburg. It is a circular walk of 8.5 kilometers with a maximum height of 209 meters.
The Saint Brigida pine near the church is a good landmark, because Noorbeek is well hidden in a valley. In 1634 the inhabitants promised Saint Brigida that they would place a pine in front of her chapel every year, if the cattle disease that plagued Noorbeek and the surrounding area would to disappear.
The cattle disease disappeared and the cattle were spared - and this promise has been kept true ever since.
