 **Walking route**
→ **6.8 km**

Start- and endpoint

Valkenburgerstraat 2, 6325
BN Berg en Terblijt,
Netherlands

Level of difficulty
Moeilijk

The village of Berg is located on the edge of the Plateau of Margraten, at an altitude of about 120 meters. On the north side are steep slopes to the Geul valley. This walking route will start in Berg and make a round in the direction of Terblijt. It is a beautiful varied, but also challenging walk. You will get to know the area around the Bemelerberg. You will also hike up a plateau at the Koelboschgrubbe to return to Berg. The route can be followed via the yellow posts and is approximately 6.5 kilometers long. There are several catering establishments in Berg. Parking is also possible in Berg, for example Op de Mert (next to Café Zaal 't Vöske).
