Start- and endpoint

Rosstraat 1, 6271 BG Gulpen,
Netherlands

Level of difficulty

Moeilijk

In the vicinity of Gulpen you will find the typical South Limburg with its sunken roads, half-timbered houses and of course its hills. Good fitness is an advantage on this scenic walking route! This walking tour takes you from Gulpen to the hamlet of Ingber. Along the way you will not only see the beautiful nature, but also the highlights of Gulpen, such as the Neubourgermolen and the Gulpener Bierbrouwerij. You follow this walking route via the yellow posts. Parking is easy in Gulpen, just like finding a nice (eatery) cafe. With its traditional meals and sunny terrace, brasserie De Kroon is highly recommended.
