## **Start- and endpoint**

De Haamen, 6191 EM Beek

## **Level of difficulty**

Gemiddeld

This walk forms the connection between the Tree of Life forest and the old Sint Martinus cemetery in Beek. This route physically connects these two locations. The memorial park is connected to the Tree of Life forest via the Kelmonderbos. During the walk you will also get to know other cultural-historical gems in the municipality of Beek. You can park at the Oude Pastorie in Beek. The route can be followed via the special Levensloop signs.

This walk is part of the 'Memorial Parks' project.
