

Vijlenerbosroute SBB37

Vaals

 **Walking route**
→ **1.2 km**

Start- and endpoint

Plummer Boschweg , 6291
Vaals, Netherlands

Level of difficulty

Makkelijk

This very short walking route, with a length of about 1.2 km, gives you a quick impression of the Vijlenerbos. The Vijlenerbos is the most elongated forest area in the Netherlands, of which you will get a short impression during this walk. You can get a nice cup of coffee on the terrace at Boscafe Het Hijgend Hert. You can also easily park here. The route can be followed via the white SBB posts.
