## Walking route

→ 5.9 km

## Start- and endpoint

Bovenpad 3, 6285 BC Epen,  
Netherlands

## Level of difficulty

Moeilijk

The starting point of this walking route is Epen, which is known for its many half-timbered houses. Via Terziet and the Kleine Geul you will walk towards the hamlet of Diependal and the protected townscape of De Plaat. Diependal extends in a valley between the low hills of the Terzieterbeek and the high slopes of the Bovenste Bos. You will get a beautiful view of the amazing surroundings of this area, with the untouched landscape of the South Limburg hills. In the area you will find various catering establishments and sufficient parking facilities. Follow the yellow posts for this walking route.
