

Fietsroute - Dodendraad

Grensroute van Vaals tot aan Cadzand

 **Cycle route**
→ **537.9 km**

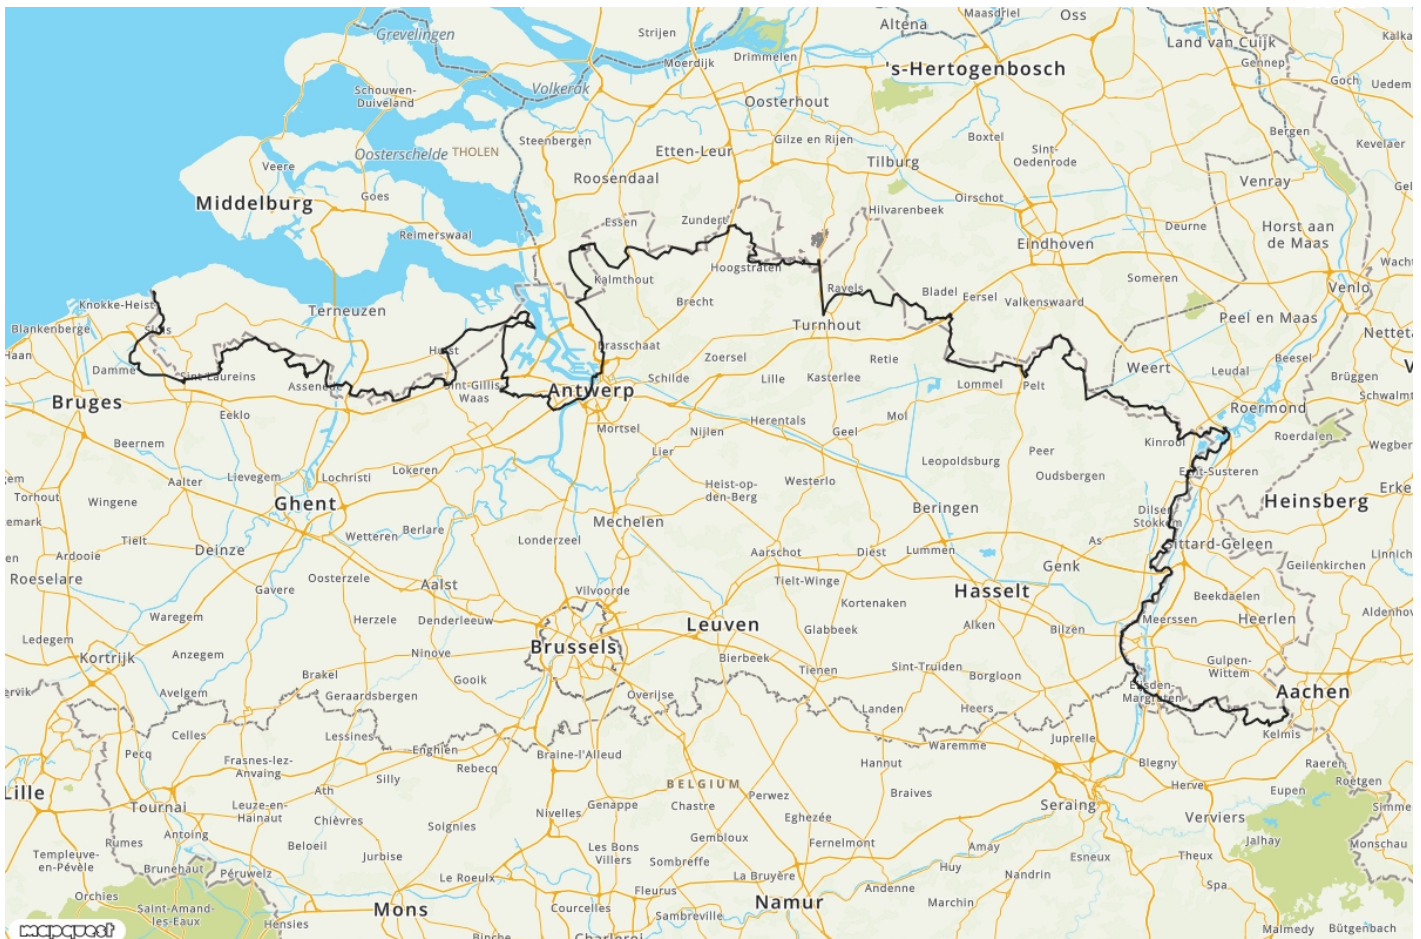

Start- and endpoint
Drielandenpunt,
parkeerplaats bij de
Boudewijntoren

The Border Route (Grensroute), winds along the Belgian-Dutch border between the tri-point Drielandenpunt and the North Sea. It follows the Wire of Death, an electric border fence from WWI to prevent smugglers, spies, deserters and front-line volunteers reaching the neutral Netherlands from Belgium. 540 kilometres along 26 reconstructions, monuments and stories of the Death Wire. Either from the hills near Vaals to the Zwin nature reserve at Cadzand, or the other way round.

Level of difficulty

A cycle adventure on quiet country roads and separated cycle paths.
