

Adventure Valley Trail - Landgraaf

 Walking route

→ **681 m**

Start- and endpoint

Witte Wereld 1, Landgraaf

Level of difficulty

Heel moeilijk

The adventurous and freely accessible hiking trail along the climbing park takes you to the origins of the mountain: the mining past.

Along the winding path are information boards that tell a bit of history about the mining past of the Wilhelminaberg. On this route you can enjoy a picnic, exercise on the sports equipment scattered throughout the route, play in a nature playground and enjoy the view of the former mining area.

Adventure Valley can be reached from the entrance of the SnowWorld climbing park and is signposted. The orange route is 0.5 kilometers and the green route 0.7 kilometers.
