Gravel bike route
14.4 km

Start- and endpoint
Kerksteeg , 6269 ED , Limburg

Makkelijk

This route is ideal for families with tough children from the age of six. It's a fun way to get acquainted with mountain biking. The distance is fairly limited at 15 kilometers, but there are still a few exciting climbs and descents in the route, because you visit the area around the Bemelerberg, among other things. It is an ideal introduction to MTB sport.

In Bemelen and Gasthuis you can take a breather on a spacious terrace before you climb the next hilltop. You start your route at the Margraten sports hall, where you can also park.

For reasons of clarity and safety, the routes are signposted in one direction: to the right.
