The MTB-route Sint Geertruid is part of a much larger mountain bike network, which covers the whole of Zuid-Limburg. The region is divided into many interconnected routes, which have a total length of no less than 500 km. This system of linked routes, is unique in The Netherlands, and ideal for anyone who likes to map out their own mountain bike route. If you follow the routes around Sint Geertruid, Noorbeek, Slenaken and Banholt, you are assured of tough climbs and phenomenal views from the hilltops. On the way, you will also pass brasserie 'De Zevende Heerlijkheid', where you can enjoy a delicious meal and a magnificent view of the deep green Gulp Valley.
