Rondom plateau Bocholtz Simpelveld

Cycle route
23.1 km

Start- and endpoint
Heiweg 88, 6351 HW Bocholtz

Level of difficulty
Gemiddeld

High on the plateau, between the streams of the Selzerbeek and the Eyserbeek, the charming villages of Simpelveld and Bocholtz are situated. On this cycle route you will explore this rolling landscape. Over the course of many centuries, the two brooks have carved out beautiful valleys. Here, picturesque villages, like Nijswiller, Wahlwiller and Eys, alternate with cool meadow landscapes, where hares hide and the kingfisher nests. Simpelveld and Bocholtz are evocative villages with beautiful churches, farms with robust stone walls and a charming village centre. Here, you will easily find an outdoor terrace, where you can enjoy a scrumptious lunch.
