

Maasroute

 **Cycle route**
→ **53.8 km**

Start- and endpoint

Rue de Lanaye 101-113, 4600
Visé, Belgium

Level of difficulty

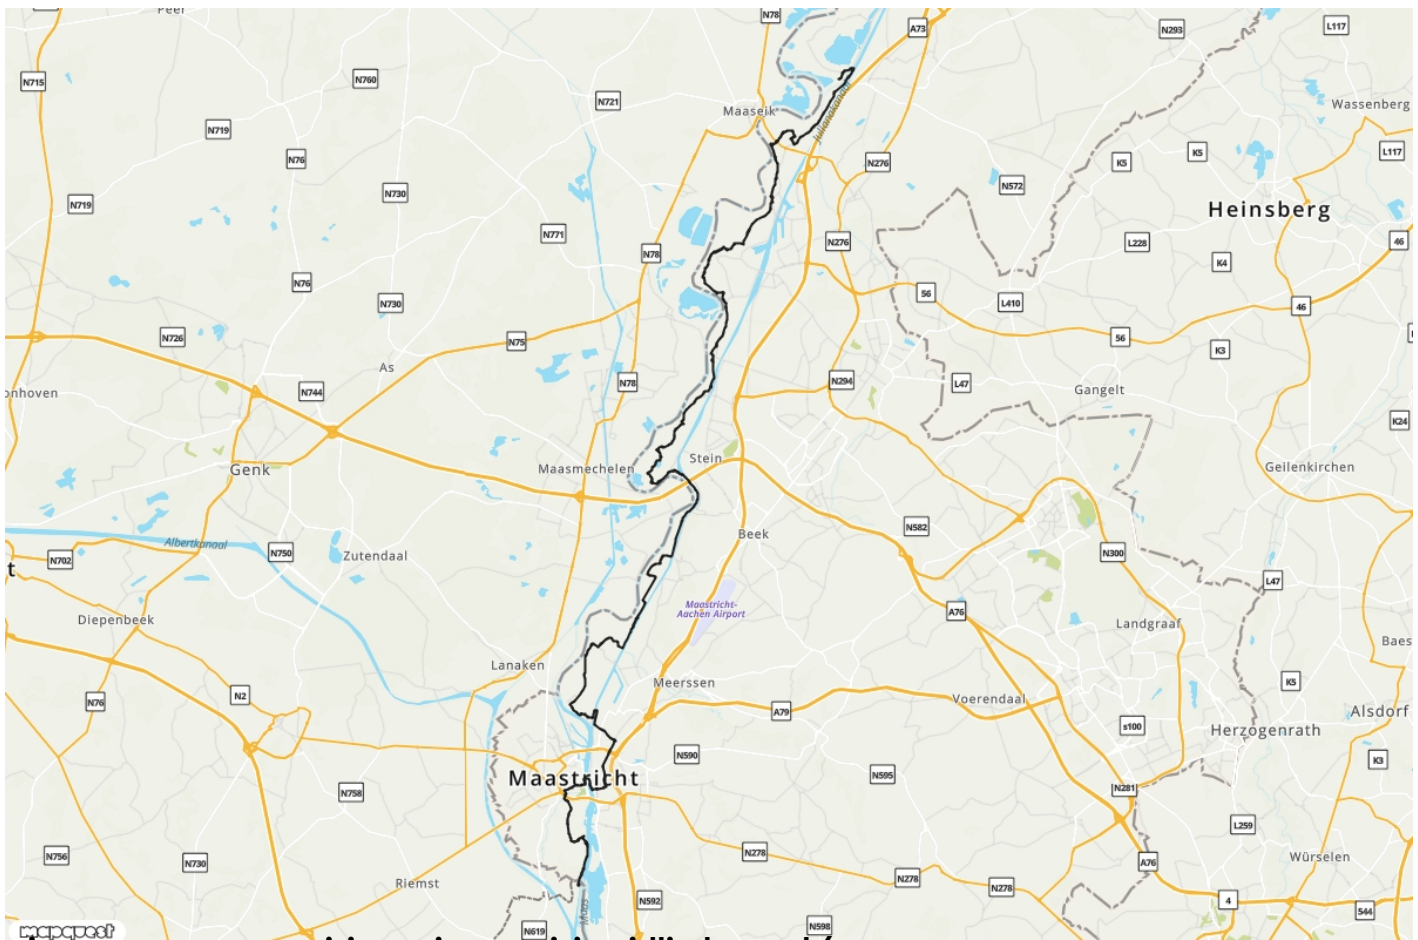

Moeilijk

Exactly on the border of Zuid-Limburg and Belgium, the river Maas (Meuse) swirls and bubbles over its shallow gravel banks. On this cycle route you follow the great river from Maastricht to Maasbracht via the characteristic Maas villages and towns of Elsloo, Stein, Urmond, Grevenbicht, Roosteren and Stevensweert. However, the entire trail along the river Maas at 1,152 km is considerably longer, and runs from the Langres Plateau, in France, through three countries; a true challenge to experienced cyclists.
