

# Wandelroute Stein - Bewonderenswaardig en bedrijvig Stein

 **Walking route**  
→→ **6.1 km**

## Start- and endpoint

Parkeerplaats Steinerbos in  
Stein

## Level of difficulty

Makkelijk

This route takes you through the area between Rivierpark Maasvallei and Stein.

This route takes you past the famous Steinerbos, a place where children can still play outside in the old-fashioned way. The surrounding park is worth exploring. A little further on you walk along the imposing Chemelot, through the Heidekamp, along the harbor of Stein and you pass the Heemtuin and the Boschhook.

You can park and drink a cup of coffee at the Brasserie next to the Steinerbos. Download the route description and follow the red posts (slanting top of the route posts indicates the walking direction).
