Margraten is known for its American cemetery, where more than 8,000 victims of the Second World War have their final resting place. This impressive place is located on the Mg3 hiking trail. The black posts lead you further through the imposing South Limburg hills and through the hamlet of Honthem. Back at the car in Margraten you first pay a visit to restaurant Talentino, where catering talents with a disability let you enjoy Burgundian regional products.
