Limburg is the road cycling province par excellence. Tough climbs, fast descents, sunken roads to race through, and picturesque, delightful landscapes, as far as the eye can see – Zuid-Limburg has it all. Therefore, this region is the perfect location for a cycling classic like the Amstel Gold Race.

You can experience the final lap yourself by following the signs for the Amstel Gold Race-Loop 3. On this cycling route you follow in the tyre tracks of the professionals on the illustrious Cauberg, Keutenberg, Gulperberg and Eyserbosweg. You can join in on this route at various places, for example at experience centre Par'Course in Valkenburg – the 'village départ' for road cycling fans.
