

# Wandelroute Gulpen-Wittem - Gulproute Gulpen en Euverem

 **Walking route**  
→→ **6.6 km**

## Start- and endpoint

Parkeerplaats Landsraderweg  
in Gulpen

## Level of difficulty

Moeilijk

Walk from Mosaqua swimming paradise to Crapoel and back through the beautiful surroundings of Gulpen. In the pleasant center of Gulpen you will find a parking space and you can enjoy yourself for a long time after the walk with something delicious to eat or drink at the various catering establishments. The challenging walking route, which you follow via the red posts, takes you past the imposing Neubourg castle and the Neubourgermolen: the largest waterwheel mill in the Netherlands that is still in use. You should also be here for a delicious traditional pancake.
