The area between the village center of Spaubeek and Hegge is an ideal riding area. The landscape is green, curvaceous and expansive and the winding bridlevays take you from one beautiful view to the next. If you are far from bored with this area with this quiet equestrian route, it is also easy to jump over to other routes from here, such as the nearby routes in Schinnen, Nuth and Onderbanken. Parking is easy at Spaubeek station, from there you just have to follow the route signs number 16.
